

THE KLOMP

Hidden in the bush, close to Hobart, rests a klomp.

It's been about, looking for a new home, and has finally found a loving carer.

It's a very strong klomp, with lots of reinforcing lovingly covered with fibreglass.

It's suitable for street parades or static displays or housing old ladies with lots of children.

If you would like to buy or borrow the klomp for an event or promotional purpose,

Or if you know someone who could have their life enhanced by having a klomp,

PLEASE call the Secretary on 6229 4272, or email kmww@utas.edu.au
